Teach Meet: You may have noticed that the hall was particularly busy last night as we again hosted Camden Challenge Partner Hub Teach Meet. Teachers from across Camden and beyond came to share ideas for learning. We shared our wonderful Nursery and Reception. Thanks to all staff who helped before, during and after.

Class Assemblies 9.15am
Reception: Thank you for sharing your lovely learning. We were very, very proud of you.

Next week we look forward to Y3's class assembly.

Social Events

We are blessed that our phenomenal parents association (The FSA) run a huge amount of social and fund raising events throughout the year. The whole point of them is to help continue to develop community and a sense of belonging.

Please note that during these events (discos, popcorn nights, fairs) your child is your responsibility. None of these are drop and leave events so you must have oversight over their safety and behaviour.

If you are ever unable to come to an event then, of course, an other adult/parent can be in charge of your child but you must make this clear to both child and adult.

Please be mindful of where the child is, who they are playing with and tell them where they should go if they can't find you.

As the vast majority of social events are open to extended family and friends and often ex-Fitzjohn's people as well as neighbours then the gates are left open to allow access and egress.

Attendance

Attendance at school is statutory. If your child is late after the register is closed then this may count as an absence. Punctuality is a good life skill so please ensure that your child is here on time every day. Please do not take them out of school (or bring them in late) because a family member is visiting. It is very disrupting to your child's learning and to the learning of the rest of the class.

Sharing together

I love the fact that we have families from all over the world who speak a multitude of languages. However, there is one language that we all have in common in school and that is English. May I therefore politely remind you to always endeavour to speak in English to everyone when you are on the school site as this encourages community, allows everyone to feel engaged and not feel left out. It also helps children understand that our common language here is English so they practise their English too.

CLUBS – Spring 2025

This term's clubs will start week beginning **Monday 13th January 2025** and will finish week ending **Friday 28th of March 2025** (excluding the half term holiday –Monday 17th February to Friday 21st February).

Before selecting this term's clubs please clear all previous outstanding payments.

Instructions on how to apply for clubs via SCOPAY:

1. Login to Scopay.
2. Make sure you have discussed clubs with your child/ren before selecting as we will **NOT** be able to offer REFUNDS or EXCHANGE clubs once selected.
3. Clubs have limited spaces so act fast.
4. Make full payment for your chosen club to secure your child's place.
5. Clubs will remain open for you to select, but if you join a club late into the term you may be charged the full price
6. Please use the links provided to book Ballet and Martial Arts separately. These external companies have nothing to do with school. Queries will be made with them directly.

Please note that if your child is entitled to Free School Meals the FSA sponsors one club per child per term. Please speak to the office as soon as possible before spaces go.

MONDAY

CLUB	Age range	Time	Number of sessions	Cost for the term	Instructor	Places Available

Good Friday	Friday 3 April
Easter Monday	Monday 6 April
May Day	Monday 4 May
Spring Bank holiday	Monday 25 May
These are term dates for 2025-2026 (next academic year).	

This week in class	
Nursery	We're going on a bear hunt, we're going to catch a big one.... The children have loved this week's core book. The children have become familiar with the story, joining in with key phrases. We have also used actions to re-tell the story, as well as making story maps. On Tuesday we welcomed our grown-ups for a stay and play, we hope everyone enjoyed their time?! Our number of the week is five. We met Numberblocks 5 and explored all things 5; number 5 Numicon in playdough, printing 5 with paint, as well as threading 5 beads on string. Our phoneme this week is /n/. We have two friends beginning with the sound; Neta and Naomi! This week it was Evelyn, Ilan and T's focus week. Ilan and T enjoy dancing and just for them, we've danced the whole week! It's been so much fun. Evelyn has played unicorn games with her friends, as well as enjoying 'fire fighter' small world play.
Reception	Reception have been very busy working on their assembly this week. They learnt their lines, learnt a song, wrote a word and a danced a dance. They performed so well, were clear and were great little performers. I am so proud of them!! We celebrated by drinking hot chocolate and dunking biscuits in it (to help us remember our nk digraph). This week we have learnt our final digraphs for this term- we learnt- sh, th, ng, nk. We also learnt the tricky words- she, he and push. Linked to 'sh' we enjoyed having a shoe shop in class this week- we measured each others feet, and sold and bought different shoes. So much fun! Our role play has now been transformed into a Christmas Post Office after being inspired by reading the Jolly Christmas Postman! Lots of cards have been written already!
Class 1	This week in literacy the children have been writing their stories of 'Lost in Fitzjohn's primary school'. They had to write different starters for each of their sentences and try and add an adjective and conjunction. In maths we have been working on subtraction by crossing out objects that we are taking away. In phonics we have recapped all of our phase 5 phonemes and have played lots of tricky word games. This week we have also been working extremely hard on practicing for our Nativity show. You are in for a treat next week as the children are singing and doing their actions beautifully. Well done for another great week Year 1!
Class 2	It's been a very busy week in Class 2, with daily rehearsals of our Nativity play. The children have been wonderful, listening to my requests to 'say it ten times louder!' and singing with all their might. We are very excited to perform for you next Tuesday at 2pm. We hope as many of you as possible will be able to make it. Thank you also to the parents who have been able to help with painting scenery and props. We really appreciate it! In between all the rehearsals, we started our new maths unit on 'shape' and continue with daily Guided Reading sessions. We also enjoyed a trip to Keats Library on Tuesday afternoon.
Class 3	This week, Year 3 began working on multiplication and division. We learnt how to create equal groups, and that an array is a number of objects set out in rows and columns – a representation of multiplication. We related this to division and to repeated addition. We've also been looking at multiples of 3 and solving related problems this week. In literacy, we all worked together to write our class assembly, which we'll be performing on Friday 13th December. Please come along if you can to support your child. In PSHE, we've been learning how to resolve conflict calmly and by meeting someone halfway. In science, we learned about sun safety and how to protect our eyes against harmful UV light from the Sun, designing effective but stylish sunglasses.
Class 4	We have been continuing with our multiplication and division topic in maths and focusing on finding links in the 3, 6 and 9 times-tables and multiplying and dividing by 7. We also completed our white rose assessments. In literacy, we started to plan our persuasive letter making sure to consider using strong reasons, exaggeration, flattery, rhetorical questions and emotive language to persuade. We also completed our formal reading assessments. In science, we set up and carried out our evaporation investigation. In history, we carried out research to answer questions on different Ancient Egyptian artefacts. On Friday, we went on our trip to the British Museum to continue our learning on Ancient Egypt which was both educational and lots of fun!
Class 5	This week, Class 5 has been learning in Maths how to add mixed numbers and subtract fractions. In Literacy, we carried on reading the next chapter of A Christmas Carol; we also learned how to correctly punctuate direct speech and also convert direct into indirect/reported speech. Class 5 discussed in PSHE why people are excluded and the importance of individuality, while in Science we tested different materials to check their electrical conductivity using a circuit. In Geography, we learned about the 5 different types that land is used for a specific purpose and in RE we spoke about the two different versions of the Christmas story, written by Matthew and Luke.
Class 6	Children in class 6 have been learning and reviewing how to manipulate fractions so that they can compare, order, add and subtract them successfully. Interesting, we also looked at how one can change the numerator too - especially when just ordering two fractions - useful stuff. In Literacy, we have been learning all about Rudyard Kipling and his particular writing style: born in India, his writing quite naturally contains references to names, places and danger that are simply not present in our green and pleasant land. In rather illuminating P.S.H.E. lesson, the children extended their learning on medicinal drugs to include both recreational legal drugs but also banned and quite dangerous substances like cocaine, ecstasy and amphetamines. In our Science lesson, we prepared dough (thank-you Dawn) to track the conditions that yeast likes in order to multiply. Equally, we are conducting an experiment to see how quickly bread turns mouldy depending on how we store it.

In a secret venue near London Bridge.
 Another immersive show for **adults** set during the wake of a fictitious magician. A fun story with great close-up magic. A great night out.

Underbelly Soho

Asi Wind is a real favourite amongst magicians and has created effects for people like David Blaine. I've seen this show and another show in NYC and he's great.
Aimed at 12+ with some strong language

PLEASE HELP CAMDEN FOODBANK

Camden Foodbank is a local charity supporting adults and children in food crisis. In the past 12 months the Trussell Trust group of foodbanks gave over 3.1 emergency food parcels to people in food crisis with over 1.1 million of these parcels being given out to children. The winter months are the worst for people with no access to food as they also need to keep warm to survive.
HOW CAN YOU HELP? Please donate **targeted food** to help Camden Foodbank make up emergency parcels or please donate money.

HOW TO DONATE FOOD BY HAND?

DAY	TIME OPEN	ADDRESS
Everyday	8am – 10pm	Camden Town Methodist Church, Wesley Hotel, Camden Town, 89 Plender Street, NW1 0JN.

Just Giving for Camden Foodbank

School T-Shirts etc:
 Take a look at this site <https://shop.spreadshirt.co.uk/FitzjohnsNW3> where you can order and create t-shirts, etc in a variety of colours and sizes (children's and adults).

The logo is based on the iconic street signs around Hampstead.
 Please note that you can "personalise" each item and choose any item from the site.
 We receive approximately 20% (plus £3 for the logo) for each sale.
 A tip: To try to cut down a bit on postage charges why not club together as a class.

Turn your weekly shopping into BIG donations for our school

No matter who you shop with, or how you shop, you can now raise **FREE MONEY** for Fitzjohn's!

Supermarket	Home delivery		Click & Collect	
	First order	Existing customer order	First order	Existing customer order
