Singing

What a wonderful time we had on Tuesday afternoon when EYFS sang festive songs to us. On Thursday parents/carers were entertained by Y3-Y6. Thanks to Ezra and all the staff for making them happen.

On behalf of all of the staff thank you for your kind cards, gifts and most importantly words as the term comes to an end.

I would like to add my thanks to all the governors, parents, children and staff for making this term another successful start to the year.

We look forward to seeing you all on **Tuesday 7 January 2025!**

This week in class	
Nursery	It's been a wonderful week of celebrations in Nursery. We continued with our Christmas celebrations by making biscuits and salt dough decorations. We celebrated Hanukkah on Wednesday and read 'Sammy Spider's first Hanukkah', then we made cards and donuts. They were delicious! We had fun seeing our class 5 buddies on Thursday and ended the week with the best magic show (by the best head teacher!) and a super fun party. Happy holidays and see you in 2025!
Reception	Reception have had a final fun filled week. We have done some very good sewing of hand puppets, showing lots of resilience and patience as most of us learnt new skills. They look great! We also have made cards- some Christmas cards and some Hanukkah cards using our hands. We had a lovely celebration of Hanukkah with some of the parents sharing activities, the story behind Hanukkah and we had some latkes and doughnuts. We have enjoyed festive activities this week- lots of colouring, making decorations, some Yoga, watching a pantomime and Rob's magic show! All have a well deserved break, happy holidays- its been such a fabulous term. See you in the New Year!
Class 1	This week in class we focused more on our foundation subjects. In science we explored materials and properties. We described the materials and predicted which material would be the best for curtains and why. We tested and found that black cotton was the best material as it's soft and opaque. In PSHE we discussed emotions and ways in which we can help ourselves feel calm and ready to learn. We also discussed how we can best look after our teeth. For RE we visited the Parish church in Hampstead. We listened to the lovely Anne tell us about why Christians celebrate Christmas and the different features of a church. The children then had to find these certain features and tick them off their checklist. In art we decorated picture frames and made holiday cards. I want to take this opportunity to again express a big thank you to my children and parents for their support, kind words and big hugs this week. It was a challenging one for me personally but you all made it far easier. I wish you all a fantastic break and I will see you in the New Year!
Class 2	In Class 2 this week we have been busy creating Christmas tree / Chanukah bush decorations. The children cut, sewed and decorated their baubles beautifully. We also worked hard on our maths summaries and Guided Reading and were lucky enough to enjoy Christmas lunch, Christmas Jumper Day, a pantomime of Cinderella, Rob's magic show and our Class party! Phew. Have a wonderful break.
Class 3	What a fantastic and exciting final week of term we've had in Class 3! In maths, we tackled some seasonal problem-solving tasks as well as recapping times tables. As part of our Design & Technology cookery strand, the children prepared and made a tasty Italian pasta bake with Lana. In literacy, we looked at imperative (bossy) verbs and giving instructions, then identified the features of a recipe. After that, we wrote up our special pasta recipe with ingredients, equipment, short description sentence, and, finally, the method in numbered steps using imperative verbs such as 'stir' 'pour' and 'drain.' We watched a very funny Cinderella pantomime ("Oh, no, you didn't!") and later in the week performed some beautiful songs to our KS2 parents. We had such a lovely party on Thursday – a huge 'thank you' to all parents who organised, attended, donated and helped clear up afterwards. We wish all parents and carers a Happy Winter Break!
Class 4	We have had an exciting, fun week! We practised our different maths skills whilst working out our 'Mystery of Santa's missing hat' challenge in groups. We learned more about the history of 'Santa'. We created a Christmas tree art piece using different resources such as string and tin foil, and used different painting techniques to add texture. We enjoyed watching the 'Cinderella' panto and felt very proud performing during our singing concert. We loved Rob's magic show and had fun at our class party. We have worked very hard this term and are looking forward to lots of fun and rest for our winter break. Happy holidays!
Class 5	Class 5 has had a lovely week celebrating Christmas and Hannukah with loads of fun activities! We made cards for one another, sang festive songs and danced during our party on Thursday. We also finished reading A Christmas Carol by Charles Dickens in our Literacy sessions, discussing the themes and messages of the novel as well as sharing reasons we liked or disliked the book. In Science, we learned about different processes used to separate mixtures and distinguished changes in mixtures as reversible or irreversible. Lastly, we finished our animal presentations in Computing and learned about the Christmas story and the meaning behind the Christingle in RE.
Class 6	And that's a rap for the Autumn term - I told you it flies by. Year 6 ended the week by writing their short story narrative based upon the work of Rudyard Kipling. We concluded our History by reviewing all significant events in WW2 and thinking about 'turning points' such as the 'Dam-busters' Raid, the Battle of the Bulge and the D-Day landings - which celebrated their 80th anniversary on Monday of this week. In Science, we looked at the poor hygiene conditions in a local restaurant and the case of 'Jordan and the Dodgy Kebab'. The children's Anderson Shelters are now built, painted and decorated and can be seen in the space outside year 6 - they look marvellous. On Thursday, we also introduced the class to a challenging but fun Maths game called 'Stockmarket' - based upon the age-old principles of 'buy low - sell high'. Thanks to you all (parents and children), for a great first term. I wish you all a restful break and moments of joy - however you choose to celebrate. See you all in the New Year.

The Governing Body (GB) met twice last term: once in October and, more recently, on 11th December.

The focus of October's meeting was to receive an update from Rob on the school reopening in September and GB noted that the year groups had settled in and there were no concerns to date.

The GB had an early discussion on the 24-25 School Budget and the continued challenges to achieve a balanced budget in light of ever increasing costs and a small number of vacant school places on school census day on 5th October. The school is funded per child on that day so it is important to be full as each vacant space costs us about £6,000. The Finance Committee met in early December to review the projected deficit and the February 2025 meeting of the GB will discuss next steps and options.

School Improvement Priorities 2024-2025

Whilst operational matters are a major priority for Rob and his team, we as a Board also have a strategic responsibility and in October we confirmed the school improvement priorities for 2024/25, cross referencing to the key points discussed at the 2024 Fitzjohn's Conversation evening, which align with our updated Mission Statement and are as follows:

Priority 1: improving outcomes by increasing the % of children making expected or better progress in writing based on prior attainment with a particular focus on disadvantaged children and low prior attainers.

Priority 2: Improve attainment and progress in Religious Education (RE) by introducing a new Programme of Study (PoS) for RE and improving teaching and learning of RE.

Priority 3: Improve attainment and progress in Computing.

Priority 4: Improve attainment and progress in Art and History by more tightly editing the PoS for Art and History so that they are more subject-related to skills/knowledge rather than just outcomes.

Priority 5: Improve leadership and management by developing the role of the Curriculum and Behavior Lead and improving their impact on teaching and learning and curriculum development.

Priority 6: Attendance of all pupils (especially those below 90%) improves during the academic year 2024-2025.

Priority 7: Further improve Early Years Foundation Stage by developing oracy across EYFS and using IT as part of learning more.

Priority 8: Governance:

A working party of governors help review the school mission statement and aims. All governors have an improved understanding of teaching and learning across the school. Governors to have an improved understanding of the benefits (and otherwise) of partnership working/federations/etc.

These will be the subject of a half-yearly review by governors in March 2025.

I was proud to be re-elected the Chair of the GB and Danielle agreed to continue to be Vice Chair.

As mentioned above, Rob presented an updated mission statement emanating from a meeting of the governor sub-group set up at our July meeting. The statement is more aspirational and GB approved it for inclusion in the Focus (see 11th October edition) and the website.

In October, governors completed an online safeguarding refresher training exercise and noted key updates to government guidance in this area.

In December, the GB received the annual report on safeguarding at the school, as well as the updated Child Protection policy.

In respect of the 24-27 school vision, this is an internal document for the Governing Body and Rob presented an updated version in December which the GB agreed to sign off before the February 2025 meeting. We also received the half-termly report from Rob, with key updates highlighted.

A key focus of our meeting was a session on Trauma Informed Practice, a Camden initiative, and this is being led at the school by Deputy Headteacher Debbie and a small team. Debbie explained how this practice can assist the school in supporting children's emotional well-being.

Another key task of governors in the autumn term is to review the performance of the Headteacher. We're supported in this by a representative from Camden. Together with their input, we have now set 3 key objectives for the coming year, and will be reviewing progress against these 24-25 objectives at our March meeting. We also reviewed my performance as Chair in terms of the effectiveness of our Governing Body and agreed to review the Board's effectiveness at our July 2025 meeting.

Our clerk, Mike Herlihy, always keeps us well informed about national developments in school governance as well as feedback from Camden. With his help, we have reviewed our training priorities for 2025, which allowed us to reflect on key governor contributions (see below) to our wonderful school in the last school year. A very interesting document Mike brought to our attention was a report from the National Literacy Trust on children's reading (click [here](#) to view) and its emphasis on the importance of a home reading environment to help children enjoy reading.

Wishing you a happy holiday season and look forward to seeing you all next year!

Ruth Schocken Katz
Chair of GB

School Governors

You can find full details of the Governing Body on the website, along with other key governance information, including the minutes of our half-termly Board meetings.

Listed below are some examples of governor contributions to the school in the 23-24 school year:

"I try to attend every school meeting, assembly and subject visit."

"I try to make a collaborative contribution where there may be differing opinions."

"I particularly give information relating to Special Educational Needs - issues, developments and provision in our school."

"I have actively participated in Governing Body meetings, monitored pupil achievement and asked pertinent questions. My key skills are in curriculum and teaching methods and as such I have been able to make informed judgements when monitoring and observing these areas."

"I continued questioning at appropriate points in the meetings and keeping an eye and ear on the areas of special responsibility."

"As I joined the board late in late March 2024, my focus was on completing induction/ training and getting to know the other members and key information on the school."

"I have chaired one of the two Committees."

"Bringing a parent perspective to Governing Body meetings, bringing a critical friend and sometimes devil's advocate perspective."

"Sharing with the board insights from training, e.g. succession planning."

"Taking part in the Fitzjohn's conversation and supporting the school through the 2024 Ofsted inspection."

"My focus as a new governor has been on getting to know the school and the role of governor."

Raise a donation every time you shop with your supermarket

Last year we raised close to £1,000 just from parents using easyfundraising for their online shopping. It takes a couple of minutes to set-up, and that's it!

These donations really help us, so it would be great if you could take a moment to get started: [easyfundraising for Fitzjohn's](https://www.easyfundraising.com/charity/1084806)
Thank you!
